

Nashville to Fisherman's Hideaway RV Park - 1 hr 50 min (118 miles)

There are many ways to get to FHRP. The directions listed below are the simplest, but not necessarily the fastest, although they're pretty close. If you choose to follow your GPS, you may find yourself on some rather small country roads, but they'll get you here. Also, be aware that cell coverage can be extremely spotty once you get away from the population centers, so it's highly recommended that you put your destination into your GPS before you get off the beaten path. Currently, the best address to put in is 510 Hardin Bottom Rd, Clifton, TN 38425. This is a house right outside of Paradise Landing. It is not your destination; just a good reference point for your GPS. Once you pass the house, you're almost there...just follow the directions below.

Enter 301 Hardin Bottom River Rd, Clifton, TN 38425 into your GPS.

Take I-40W for 65 miles.

Take Exit 143 for SR13 - Loberville.
